

Control Me

The Supernaturals

I'll be your entertainment tonight
I show you what ever it is you like
Just sit back and enjoy the show
And kick your feet up boy here we go
I need all of your attention
You can admire *my* dimension
Been working on my definition for you
Tonight there is only one thing for you to do(2x)
Remote control me
Push the buttons to turn me on please
Pick me up, put me on the wall please
Just plug in the wire

Make my volume higher higher*Be my* remote control*Don't adjust the station it is just right*

Name all your favorites I'll be that tonight

Espn ain't nothing compared to this

Think you've seen action nothing is like this

Now I've got all of your attention

You can touch on all my dimension

Been working on my definition for you

Tonight I'm a the only thing for you to do(2x)

Remote control me

Push the buttons to turn me on please

Pick me up, put me on the wall please

Just plug in the wire

Make my volume higher higherBe my remote controlOhhh feels like a fur

The pictures are clear

You wanna put it on pause

Remote control me

Nothing like a late night

Flick to keep you *enticed*

You wanna see it again

Remote control me(2x)

Remote control me

Push the buttons to turn me on please

Pick me up, put me on the wall please

Just plug in the wire

Make my volume higher higherBe my remote control
