

# Heroes (we could be) [feat. Tove Lo]

Alesso

We go hideaway in daylight  
We go undercover, wait out the sun  
Got a secret side in plain sight  
Where the streets are empty  
That's where we run

Everyday people do  
Everyday things but I  
Can't be one of them  
I know you hear me now  
We are a different kind  
We can do anything

We could be heroes  
We could be heroes  
Me and you  
We could be heroes  
We could be heroes  
Me and you  
We could be

Anybody's got the power  
They don't see it  
'Cause they don't understand  
Spinning round and round for hours  
You and me we got the world in our hands

Everyday people do  
Everyday things but I  
Can't be one of them  
I know you hear me now  
We are a different kind  
We can do anything

We could be heroes  
We could be heroes  
Me and you  
We could be heroes  
We could be heroes  
Me and you

We could be

We could be heroes

We could be heroes

Me and you

We could be

All we're looking for is love and a little light

Love and a little light

(We could be)

All we're looking for is love and a little light

Love and a little light

We could be heroes

We could be heroes

Me and you

We could be
