

# And If I Had (Re-Recorded) [Remastered]

## Teddy Pendergrass

Chorus: Are you down, say you're wit it  
Let it go, I know you're feeling me  
Don't try to fight it  
I'm gonna help you find the way  
Baby c'mon, baby c'mon, baby c'mon  
Baby, can't you see that he's  
No good  
Honey, he don't treat you like he should  
Baby I know just what to do to make it right  
Let me lead you to the best love  
That you ever had in your life  
So baby when you feel the need  
Don't you hesitate to reach right out and call me  
I'll supply your everything  
Make it so good for you  
That you'll end up falling in love with me  
Chorus  
Sister, you're the finest thing I know  
He gotta be crazy  
To think of ever letting you go  
I know you want me to ease the pain you feel  
I got a plan girl  
Just take my hand and follow me  
To a place where you can be  
All the things you couldn't be  
When you were with him  
I got all the qualities  
That a man would need  
To make you end up falling in love with me  
Girl, I know you wanna be with me  
So baby c'mon  
Girl you know that I can  
Set you free  
So baby c'mon  
I'll supply your every need
