

# Crazy Horses

## The Vintage Caravan

Crazy Horses, Crazy Horses. There's a message floatin' in the air,  
Come from crazy horses ridin' everywhere.  
It's a warning, it's in every tongue.  
Gotta stop them crazy horses on the run. What a show, there they go,  
Smokin' up the sky, yeah.  
Crazy horses all got riders and they're you and I. Crazy Horses  
Crazy Horses  
Crazy Horses  
Crazy Horses Never stop and they never die,  
They just keep on puffin'  
How they multiply.  
Crazy horses will they never halt,  
If they keep on movin' then it's all our fault. What a show, there they go smokin' up the sky, yeah  
Crazy horses all got riders and they're you and I. Crazy horses  
Crazy horses  
Crazy horses  
Crazy horses (Everybody's goin' crazy, will someone come and save me?) (C'mon, C'mon, Yeah. Can you feel  
it?) So take a good look around  
See what they've done  
What they've done, they've done  
They've done, they've done  
They've done, they've done  
They've done, what they've done Crazy horses  
Crazy horses (Yeah now baby, no time to waste)  
Crazy horses (Woah, it's all around you)  
Crazy horses (Can you feel it?)  
Crazy horses (C'mon, C'mon, Yeah)  
Crazy horses (Yeah, Yeah)  
Crazy horses (Everybody's goin' carzy)  
Crazy horses (Won't someone come and save me)
