Master of Puppets

Apocalyptica

End of passion play, crumbling away
I'm your source of self-destruction
Veins that pump with fear, sucking darkest clear
Leading on your deaths constructionTaste me you will see
More is all you need
dedicated to
How I'm killing youCome crawling faster
Obey your master
Your life burns faster
Obey your master
MasterMaster of puppets I'm pulling your strings
Twisting your mind and smashing your dreams
Blinded by me, you can't see a thing
Just call my name, cause I'll hear you scream
Master
Master
Just call my name, cause I'll hear you scream
Master
MasterNeedlework the way, never you betray
Life of death becoming clearer
Pain monopoly, ritual misery
Chop your breakfast on a mirrorTaste me you will see
More is all you need
dedicated to
How I'm killing youCome crawling faster
Obey your master
Your life burns faster
Obey your master
MasterMaster of puppets I'm pulling your strings
Twisting your mind and smashing your dreams
Blinded by me, you can't see a thing
Just call my name, cause I'll hear you scream
Master
Master
Just call my name, cause I'll hear you scream
Master
Master(interlude)Master, master, where's the dreams that I've been after?
Master, master, you promised only lies
Laughter, laughter, all I hear and see is laughter

Laughter, laughter, laughing at my cries (thanks to me?)(solo)Hell is worth all that, natural habitat
Just a rhyme without a reason
Neverending maze, drift on numbered days
Now your life is out of seasonI will occupy, I will help you die
I will run though you, now I rule you tooCome crawling faster
Obey your master
Your life burns faster
Obey your master
MasterMaster of puppets I'm pulling your strings
Twisting your mind and smashing your dreams
Blinded by me, you can't see a thing
Just call my name, cause I'll hear you scream
Master
Master
Just call my name, cause I'll hear you scream
Master
Master[fade out with evil laughter].(transcribed by blueflu)
