

Done for Me

Amber Bullock

Woke up this morning
Breathing
Realized it was You, ooh
So I got up,
Called a friend
Had to tell them the truth

(CHORUS)

Bout how you loved me (how You loved me)
Unconditionally (unconditionally)
Even though I am not worthy You still take care of me
Bragging about?cha (about?cha)
Bout how perfect You are
You're so amazing
Gotta say Lord I'm crazy bout You

I just can't hold it gotta tell you what He's (done for me)
He loosed the shackles gave me peace and He (set me free)
I just can't hide it I'm excited that He's (amazing)
I wanna thank You Lord for everything You've (done for me)

So when I'm feeling
like giving up (like giving up)
and throwing in the towel, ooh
I'll stop for a minute
And think about
The ways You've brought me out

(CHORUS)

(You give new mercies to me every morning
You make the sunshine, You keep the world turning)
Yeah, You are the reason I live (reason I live)
I'll tell it every chance that I get

I just can't hold it gotta tell you what He's (done for me)
He loosed my shackles gave me peace and He (set me free)
I just can't hide it I'm excited that He's (amazing)
I wanna thank You Lord for everything You've (done for me)

(x2)
