Missing You

Steve Perry

Missing You
Whoa Im
Missing you
The hurt on your heart
Through your eyes it shows
The past can't relive
What we both know
Still I remember
Things I'll never miss
Memories around me
Won't let me forget
I was so wrong
The secrets not worth keeping
I had no faith that you would still believe
No now
My heart is in your keeping
Here I am
Missing you
Missing you
Feeling the dark
Stares from my wall
Your eyes in your picture
Won't let me go
If I could remember
How you felt the pain

The king of pretenders
Alone in shame
I was so wrong
The secrets not worth keeping
I had no faith that you would still believe
No now
My hearts in your keeping
Here I am
Oh here I am
Missing you
Missing you
Whoa I'm
Missing you

You were there
And now I'm here
You gave much more than I did
I gave what I had to give
If I could you know I would
I'd make it up to you instead I'm
Missing you
In the place you used to be
You were lying next to me
Oh I'm
Missing you
Whoa I'm
Missing you
