

Drinking in the Afternoon

The New Amsterdams

Drinking in the afternoon
This is what its driven to
Is there any thing else to doI could have sworn it's 3 a.m.
Its quiet in the room again
This is where the story endsIts time for me to act my age
Im nothing if Im not the rage
Like that would matter anywayI just dont think you understand
I just dont think you understand
This story needs a scene and endBut its hard to say goodbye
But at least we got to have this time
At least we got to have this timeDrinking in the afternoon
The loneliest hotel room
I hope the answer comes to youThis is not the way for me
This is not my last defeat
Im trying to make the ends meetBut its hard to say goodbye
But at least we got to have this time
At least we got to have this timeBut its hard to say goodbye
But at least we got to have this time
At least we got to have this time
