

Sugar Blue

[Jeff Finlin](#)

Hobo songs and railroad gin
Alcohol evaporates through skin
One gift
Sugar blueI feel his kiss in your angry eyes
To find hello when you say goodbye
One gift
Sugar blueHolding darkness up to the light
The other side shows through
The raven's song it breaks the night
And I rise from me through broken hues
Sugar blueGoing nowhere's somewhere's song
Finding right in what went wrong
One gift, sugar blue
One gift, sugar blue
