

Locomotive Man

Johnny Cash

I got a gal in Dallas, I wave at when I go through

I got a gal in Tulsa, that I toot my whistle to

(Say how do)

I got 'em all over the land, I'm a locomotive man
Left my heart in Omaha Omaha, and I never did quite get it
back

I got a Sue in Sioux City, waitin' by the railroad track

(Keeps her money in a 'tater sack)

I got 'em all over the land, I'm a Locomotive man
Well, I left a little switch engine, 'bout forty miles south of
Bangor Maine

Couldn't keep the wheels a turnin', shouldn't try to pull my train

I got 'em all over the land, I'm a Locomotive man

Well, I had a gal in Jackson, and it sure broke my heart to turn her loose

When I checked my time and moved on, she's hooked on my caboose

I got 'em all over the land, I'm a locomotive man
