Searchin' (Almighty 12" Definitive Mix)

Hazell Dean

Searchin' and seekin'
Never sleepin'
I've got to find me a man
I want no disguises
Just surprises someone who I'll understand
I don't need a guy who spends only one nightThen tell me he's got no more time
I'm looking for someone to share my life
I better move on down the lineSearchin' - looking for love all the time I can
Searchin' - looking for love I've got to find a man...
Some guys excite me but don't invite me.
They don't even noticeIt seems
Oh
I'm always waiting
Anticipating
I long for the man of my dreams
He needn't be handsome
Have fortune or fameHe just gotta be sweet and kind
But there's so many wanting or needing the same
I gotta move on down the line
Searchin' - looking for love all the time I can...
Searchin' - looking for love all the time I can...
Will I ever reach my goal
Will I ever get the chance
To live my life with just one man?
I thought by now I held the love I always wantedBut things are not the way I planned
Oh
I'm searchin' - looking for love all the time I can
Searchin' - looking for love
I've got to find me a man
Searchin' - looking for love every place I can
Searchin' - looking for love
I've got to find a man
