

Silent Prayer

Burning Saviours

Silent prayer
I send to you my silent prayer
Before I sleep at night
I send to you my silent prayer
Baby, so you'll be alright
Every mornin' I think of you
I just can't shake off my dreams, no no
I read the paper and watch the news
I don't know what it means
When you do what you've got to do
You must know that I'm there with you
Every breath that I take, I hope and I pray
Sweet, baby, baby be okay
Silent prayer, silent prayer
Silent prayer, silent prayer
Silent prayer, silent prayer
I send to you my silent prayer, oh yeah
I hold a picture of a golden sunset, yeah
And I'll take your hand, take my hand

We're gonna walk down that promised road
Just like we planned, just like we planned
'Cause I know what I'm gonna do
Just as soon as I'm back with you
Every breath that I take, I hope and I pray
Sweet baby, baby be okay
Silent prayer, silent prayer
Silent prayer, silent prayer
Silent prayer, silent prayer
I send to you my silent prayer
I send to you my silent prayer
I send to you my silent prayer, oh yeah
I send to you my silent prayer, every hour
My silent prayer
Silent prayer, silent prayer
Silent prayer, silent prayer
Silent prayer, silent prayer
I send to you my silent prayer, silent prayer
