

All for Show

Shy Girls

I'm not afraid of love
A little affection never hurt no one
But I know enough to know this ain't the one
She ain't the oneCuz' if I was out of line
I hope that you would understand my other sign
I'm not trying to be hush babe
I only wish the best for youCuz if I wouldn't take you home with me
You and me would never be
I would never fall for you
And if I would have make out with you
I never wanna see you thru
I would never fall for you
Cuz if I wouldn't take you home with me
You and me would never be
I would never fall for you
And if I would have make out with you
I never wanna see you thru
I would never fall for youI'm just lettin' you know
Shouldn't let your true emotion show
Cuz there ain't no room for this thing to grow
It's all for sureCuz' if I was out of line
I hope that you would understand my other sign
I'm not trying to be short bae?
I only try to let you know
Cuz if I wouldn't take you home with me
You and me would never be
I would never fall for you
And if I would have make out with you
I never wanna see you thru
I would never fall for youCuz if I wouldn't take you home with me
You and me would never be
I would never fall for you
And if I would have make out with you
I never wanna see you thru
I would never fall for youCuz if I wouldn't take you home with me
You and me would never beAnd if I would have make out with you
I never wanna see you thruCuz if I wouldn't take you home with me
You and me would never beAnd if I would have make out with you
I never wanna see you thruCuz if I wouldn't take you home with me

You and me would never be
I would never fall for you
And if I would have make out with you
I never wanna see you thru
I would never fall for youCuz if I wouldn't take you home with me
You and me would never be
I would never fall for you
And if I would have make out with you
I never wanna see you thru
I would never fall for you
