

# My Savior

Krystal Meyers

I feel guilty sometimes when I pray  
Stealing time from needs that are great  
Still You listen to every word I say  
And I wanna thank You  
And I, I'm amazed to call You mine  
My Savior, I'm laying it at your feet  
Your love, it consumes me  
My Savior, You've given me all I need  
Your grace and Your mercy  
I've been thinking about what You did  
I'm empty handed, so what could I give?  
But all You ask of me is the life that I live  
So I'll be faithful  
Oh and I, I'm not ashamed to call You mine  
My Savior, I'm laying it at your feet

Your love, it consumes me  
My Savior, You've given me all I need  
Your grace and Your mercy  
I never wanna be away, forever I'll pursue  
Everything it takes to be with You  
Mercy  
My Savior, I'm laying it at your feet  
Your love, it consumes me  
My Savior, You've given me all I need  
Your grace and Your mercy  
I never wanna be away, my Savior  
I'm laying it at your feet  
Your love, it consumes me  
My Savior, I'm amazed to call You mine
