

Ghettomusick

OutKast

Turn me up, don't turn me down
Cut me up, don't let me down Find, find a way
Find a way to get out, wit out, hit out
You dig in, dig out, you get out
Ghetto musick, ghetto musick
Find a way to get in, to fit in the ghetto
You get out, wit out a dime
Ghetto musick, ghetto musick Climbing out this hole (climbin' out this hole)
With a frown on my face
In the place to be, (in the place to be) and not to be at the same time
G-h-e-t-t-o-m-u-s-I-c-k stay down
O-u-t-k-a-s-t (oh yeah) just know that we won't play round
If feet don't stank like they stank then they can't swallow that down
Your battleship is sunk, I wish grandma could see us Find a way to get out, wit out, hit out
You dig in, dig out, you get out
Ghetto musick, ghetto musick
Find a way to get in, to fit in the ghetto
You get out, wit out a dime
Ghetto musick, ghetto musick I just want you to know, how I feel
Feeling good, feeling great (How I feel)
Feeling great, feeling good, how are you?
I just want you to know, how I feel
Feeling good, feeling great (How I feel)
Feeling great, feeling good, how are you? Hot tub! Back to the bony I'm tony
Ask my grandmama Edna Mae kid when she show me
How to be the smooth operator, dominator in the state of Georgia
Hip hops there to destroy ya
Leave a mother fucker open like a foyer
He from the dirt now here come the paranoia
A lawyer couldn't object or disrespect
The technique, sweat me, wipe off the sweat
Fight off the shit and flush the waste down
The pipes of my life flow deep into the ground
Find my purpose on the surface of this earth this
Planet's standards to me they have no purpose
Campaign in vein for the same lame fame, people obtain, you ought to be detained
By the hip hop sheriff, locked up
No possibility of getting out cause the shit you make is killing me and my ears, and my peers
I hear the end is near, no fear

We disappear, then reappear again in a fresh new light
I hope its peaceful and cloudy cause if its not we gotta fight like, fight like G-h-e-t-t-o-m-u-s-I-c-k stay down
O-u-t-k-a-s-t just know that we won't play round
If feet don't stank like they stank then they can't swallow that down
Your battleship is sunk, I wish grandma could see us Find a way to get out, wit out, hit out
You dig in, dig out, you get out
Ghetto musick, ghetto musick
Find a way to get in, to fit in the ghetto
You get out, wit out a dime
Ghetto musick, ghetto musick I just want you to know, how I feel
Feeling good, feeling great (How I feel)
Feeling great, feeling good, how are you?
I just want you to know, how I feel
Feeling good, feeling great (How I feel)
Feeling great, feeling good, how are you?
