Ice Cream Truck (Instrumental)

Cazwell

[Chorus]Meet me at the ice cream truck
I'll buy you an ice cream
I'll whip out my drumstick
that will make your eyes gleam
lick it up quick before it melts on the floor
I got it!
uno-dos-tres-quatro gimme some more OK!
Meet me at the ice cream truck
I'll buy you an ice cream
I can test out my luck
you can play on my team
let's do the banana split
on the dance floor Got it!
uno-dos-tres-quatro gimme some more OK![Verse 1]I met him at the school yard 'round quarter to three
