Little 15

Charlie Nusance

Little 15
You help her forget
The world outside
You're not part of it yetAnd if you could drive
You could drive her away
To a happier place
To a happier dayThat exists in your mind
And in your smile
She could escape there
Just for a while
Little 15Little 15
Why take the smooth with the rough
When things run smooth?
It's already more than enoughShe knows your mind
Is not yet in league
With the rest of the world
And its little intriguesDo you understand?
Do you know what she means?
As time goes by and when you've seen
What she's seen, you will
Little 15Little 15
Why does she have to defend
Her feelings inside?
Why pretend?She's not had her life
A life of near misses
Now all that she wants
Is 3 little wishesShe wants to see with your eyes
She wants to smile with your smile
She wants a nice surprise
Every once in a whileShe wants to see with your eyes
She wants to smile with your smile
She wants a nice surprise
Every once in a while
