

Hey Joe (Where You Gonna Go)

The Byrds

Hey Joe, where you goin' with that money in your hand?

Hey Joe, where you goin' with that money in your hand?

I'm gonna find my woman, she's runnin' around with some other manI'm gonna go down town buy me a blue
steel 44

I'm gonna go down town, gonna buy me a blue steel 44

When I find my woman she's not gonna run any moreMm, hey Joe, I hear you shot your woman dead

Hey Joe, I hear you've shot your woman dead

Yes, I did, you know, I found them both in the same damned bedHey Joe, where you gonna go?

Ah, hey Joe, where you gonna go?

I guess I go to my favorite MexicoI guess I go down where a man can be free

Yes, I guess I go down where a man can be free

Ain't no damned old hangman gonna put a noose around me, babeHey Joe, where are you goin' with that gun in
your hand?

Hey Joe, where are you goin' with all of that cash?Mmm
