## Menomena

I never thought I'd lie  
but you don't wanna know  
so now there's a divide  
though we used to be close  
in order to be nice  
I'll only show you half  
the rest I gotta hide  
cause you don't understand sometimes I say too much  
times when I'm with you  
I'm really not myself  
cause you don't want the truth  
you want someone else I admit sometimes I say too much  
(try to have verbs by getting it (?) )
