

# Prayer for a Friend

## Casting Crowns

Lord, I lift my friend to You  
I've done all that I know to do  
I lift my friend to You Complicated circumstances  
Have clouded his view  
Lord, I lift my friend up to You I fear that I won't have the words  
That he needs to hear  
I pray for Your wisdom, oh God  
And a heart that's sincere Lord, I lift my friend up to You Lord, I lift my friend to You  
My best friend in the world I know  
He means much more to You I want so much to help him  
But this is something he has to do  
And Lord, I lift my friend up to You Cause there's a way that seems so right to him  
But You know where that leads  
He's becoming a puppet of the world  
Too blind to see the strings Lord, I lift my friend up to You  
My friend up to You Lord, I lift my friend to You  
I've done all that I know to do  
I lift my friend to You
