Rudebox

1990's Karaoke Band

Do the rudebox, shake your rudebox
Do the rudebox, shake your rudebox
Do the rudebox, shake your rudebox
Do the rudebox, shake your rudeboxOkay then back to basics
Grab your shell toes and your fat laces
A little hand clap for some funk faces
And make your body move in the following placesGoes up your back and then down your spine
And when it hits your headOkay then back to baseheads
Dance like you just won at the special Olympics
I got the rudebox of the back of a spaceship
So sick I just had to take itThe R.U.D.E.B.O.X.
Up yer jacksy, split yer kicks
Sing a song of Semtex
Pocket full of Durex, body full of MandrexAre we gonna have sex
Will you wear your knee socks, back to the rudeboxGot this double fantasy where we just never stop
I got one design and that's to funk you to the top
Know what's on my mind there's only one thing you will find
I got one design and that's to bump you 'til you dropRudebox, do the rudebox, 'cos you so nasty
Rudebox, shake your rudebox, why you so nasty
