

tracey's slumber party

Toxic Lipstick

gee , im so super excited about tracys slumber party.

I really hope we can chug some good quality acid.

me three!

i can't wait to transact fractals in her bedroom.

shes got the coolest magic eye posters!

hey, do you think the shining unicorn of hope will be there? I don't know, but I know her older brother will be
and that's almost as good!

almost!

school is over and I'm ready to hang I'm headin' to tracey's™s to see my gang.

We'll play spin the bottle, though there's no boys, so well just pash each other and some lucky toys.

ice cream and popcorn and pillow fights.

it's™ gonna be a night of nights!

there's™ a play TV and a swimming pool

and I've heard her mom is really cool.

her brother is hot and he has cool friends!

im gonna have to trim those ugly split ends.

i wanna look cute with a bitchin' rack

I'll practice what I say so I don't sound whack at..

Tracey's slumber party, have a bitchin' time! Tracey's slumber party, have a bitchin' time! Tracey's slumber
party, have a bitchin' time! Tracey's slumber party, have a bitchin' time..

I get to Tracey's and everyone's there

Gee, I hope we get time to braid our hair Im just so excited that I could bust!

I really hope I don't fall asleep first

Go upstairs and look in her room

She's got a bunch of movies and a castle of food

We turn off the lights and snuggle up tight

Looking at each other this feels so right

We find her dad's liquor and steal the lot

We fill the empty bottles with piss and snot

We all take turns smelling the gin

But Lucy has too much and vomits in the bin

I sneak into her brother's room And try to seduce him with my hot young poon

I jump on his bed and suck his cock
We have bangin' sex and he cums in his sock

There's a noise at the window, it's the boy next door I'm pretty drunk so I think he's gonna score I skull a drink
and I climb outside
I fuck him in the gutter with my legs spread wide at

Tracey's slumber party, have a bitchin' time! Tracey's slumber party, have a bitchin' time! Tracey's slumber
party, have a bitchin' time! Tracey's slumber party, have a bitchin' time..

Eat lots of lollies and get real sick
Then we staple Tracey's face as a funny trick When Suzy goes to sleep we cut up her hair
We laugh as we tear up her underwear
We take lots of snaps of her butt-naked ass

On Monday we'll show them to the whole class She used to be my friend but now she's a jerk!
Cuz she stopped letting me copy her homework
Stupid dumb slut thought it was her lucky day

But now we all know that she's totally gay
So we pull her hair lots and make her cry
Stupid slut Suzy, tonight you die at

Tracey's slumber party, have a bitchin' time Tracey's slumber party, have a bitchin' time Tracey's slumber
party, have a bitchin' time Tracey's slumber party, have a bitchin' time Tracey's slumber party, have a bitchin'
time Tracey's slumber party, have a bitchin' time Tracey's slumber party, have a bitchin' time Tracey's slumber
party, have a bitchin' time!

Yeah, at Tracey's slumber party
You can have a bitchin' time, aw yeah!
At Tracey's slumber party, yeah!
At Tracey's!
Tracey's!
Tracey's slumber party, have a bitchin' time!
