

# Junkie Bastard

## Toxic Narcotic

Anarchist or nihilist all junkie punx are hypocrites  
to feed the rich just for a fix you rob the poor  
they enslave to harvest it then filtered through your government  
realize the fucking shit that you support  
junkie bastard  
i don't wanna see your face  
rob and steal to keep the pace but either way you lose the race junkie bastard!!!  
ripped off friends and family  
supporting death and slavery  
so fucked up you cannot see your time is short  
whatever you call freedom you don't even have it  
your just a fucking slave to your stupid dope habit  
you'll either end up dead or in the fuckin slammer  
sooner or later you'll smell the hammer! [Chorus:]  
junkie bastard  
i don't wanna see your face  
rob and steal to keep the pace but either way you lose the race junkie bastard!
