The Sky Is Crying

Stevie Ray Vaughan

The sky is cryin'
Can't you see the tears roll down the street?
The sky is cryin'
Can't you see the tears roll down the street?I've been looking for my baby
And I wonder where can she beI saw my baby early one morning
She was walking on down the street
I saw my baby early one morning
She was walking on down the streetYou know it hurt me, hurt me so bad, yeah
Made my poor heart skip a beat
Help me nowI've got a real, real bad feelin'
That my baby, she don't love me no more
I've got a real, real bad feelin'
That my baby don't love me no moreYou know the sky, the sky's been cryin', yeah
Can you see the tears roll down my nose?
