

The Invocation / Chapel of Ghouls

Morbid Angel

Ghouls attack the church
Crush the holy priest
Turning the cross towards hell
Writhe in satan's flamesCrush the priest
The feeble churchDead - your god is dead
Fools - your god is dead
Useless prayers of lies
Behold satan's riseCrush the priest
The feeble church
The family of dog
Lust upon my altarDemons attack with hate
Satan in the fires of hell awaits
Death against you all
God hear my death call[Chorus]
