Gone for Good

Samantha Fish

Well, I'm not the kind of company you're, you're accustomed to
You've got such a calmness that, I, I can't break on through
Did everything you wanted me to, to make you stay
Every reason lordy was just an excuse, you know
He was a perfect getawayYou're gone, gone, girl
Gone, I know, baby so long
Gone, I know time is gonna roll me on
Thank God you're gone for good
Well, oh, when the days, they gonna, fly on by
You're gonna think about me after some time
I swear I'm gonna show you how you lost your goddamn mind
It didn't matter, not one little bit, how could you leave me alone?
I tried to forget your misery, no more hard times, [?]You're gone gone, girl
Gone, I know, baby so long
Gone, I know time is gonna roll me on
Thank God you're gone for good, girlI swore I couldn't live without you
Now, I'm staring at the holes in my wall
Where the pictures hung, now you're back around like
Nothing ever happened at all
It was my slow slip
It was my losing grip on my, my, sweet once upon time
I guess it was just a dream I had when you, you were only mine
You're gone gone, girl
Gone, I know, baby so long
Gone, I know time is gonna roll me on
Thank God you're gone for good, girl, oh, hey
