

# Marching Off to War

## Motörhead

Another battle's over  
It's a million soldiers  
They never rise again  
We lost a million friends  
You can't understand  
If you weren't there  
You felt different then  
Marching off to war

Show no quarter  
Delight in slaughter  
Up for your last long ride  
Maybe God's on the other side  
Don't try to understand  
If you weren't there  
You felt different then  
Marching off to war

Don't need no vindication  
Fight for the nation  
You know you're going to hell  
But you wear it well  
You'll never understand  
If you weren't there  
You felt different then  
Marching off to war
