

# Dyin' All Young

Chuck Prophet

He didn't even get to see the summer settin'  
Dyin' all young  
He didn't even get to see the summer settin'  
Dyin' all young Well the telephone rang off the hook  
While the sun was goin' down  
She never heard her baby callin'  
Now her baby ain't around  
It broke his mama's heart  
Something pulled him like the tide  
Up on the banks of Macedonia(?)  
Laid down and closed his eyes  
Summer nights ain't never gonna feel right  
Dyin' all young He didn't even get to see the summer settin'  
Dyin' all young  
He didn't even get to see the summer settin'  
Dyin' all young Wanted to be there in your future  
Want you to see me when you look back  
Want to be around to see you glow, little cowboy  
Shine like lighting through a crack  
But you climbed back in that saddle  
For one more fatal ride  
If I had it all to do I'd lock in you in your room for good this time  
Summer night ain't never gonna feel right  
Dyin' all young He didn't even get to see the summer settin'  
Dyin' all young  
He didn't even get to see the summer settin'  
Dyin' all young  
He didn't even get to see the summer settin'  
Dyin' all young  
He didn't even get to see the summer settin'  
Dyin' all young Well I don't like anything I'm seein'  
I don't like anything at all  
And when I come across your memory  
It always turns my skin to crawl  
I know I should feel lucky  
Lucky I'm alive  
One day your love bloomed like a flower  
That flower up and died  
We pump so much shit into this river

The river flows into the sea  
Everyday I think about you  
Could you ever think of me?He didn't even get to see the summer settin'  
Dyin' all young  
He didn't even get to see the summer settin' (gonna meet your maker)  
Dyin' all youngIf you were here, I'd pick you up  
I'd make you say you'd had enough  
(He didn't even get to see the summer settin'  
Dyin' all young)  
I'd pat your skin pull out your hair  
Why go along and leave me here  
(He didn't even get to see the summer settin'  
Dyin' all young)Dyin' all young  
(He-He didn't-He didn't-He didn't-He didn't)  
Gonna meet your maker  
Dyin' all young  
(He didn't even get to see the summer)  
He didn't even get to see the summer settin'  
Dyin' all young  
He didn't even get to see the summer settin'  
Dyin' all young(Like a hour before, plus)  
He didn't even get to see the summer settin'  
Dyin' all young  
He didn't even get to see the summer settin'  
Dyin' all young  
He didn't even get to see the summer settin'  
Dyin' all-dyin' all-dyin' all
