Broken

Angela Ammons

You, you're everything I know
I'm happy when I'm sad
Through all the times we shared
I never felt alone
Now, I still can smell your skin
I still can taste your kiss
And that I'll always miss
And everything we've ever beenNow I'm broken...without you
I'm broken,...broken without you
I'm broken,...broken without youI cannot fall asleep
Lying in my bed
Spinning in my head
Thinking how it used to beNow I'm broken...without you
I'm broken,...broken without you
I'm broken,...broken without youI'm sick of crying it's all I do
Been counting days to just get through
I'm trying to be strong but it's just no useI'm broken over you
I'm broken,...broken without you
I'm broken,...broken without youYou, you're everything I know
I still can taste your kiss
And I'll always miss
Everything you've ever been
And I'm broken...without you
