

# Vacancy

## NYCE

I know you're always alone  
Looking for someone, a home  
Don't wait for me  
I'll be all right  
In the ocean of your mind  
I know I've seen better days  
Walking through life like a maze  
But I can see  
You'll be alright  
In the ocean of my mind  
Turn on you light  
Shining vacancy  
With you I'm lost  
Like a shell in the sea

But I'll pray for you  
I hope you will pray for me  
I know your always alone  
Looking for someone, a home  
I know you're always alone  
Looking for someone, a home  
Don't wait for me  
I'll be all right  
In the ocean of your mind  
And you'll be alright  
In the ocean of my mind
