When You Got a Good Friend

Robert Johnson

When you got a good friend, that will stay right by your side
When you got a good friend, that will stay right by your side
Give her all of your spare time, love and treat her rightI mistreated my baby and I can't see no reason why
I mistreated my baby and I can't see no reason why
Anytime I think about it, I just wring my hands and cryWonder, could I bear apologize or would she sympathize with me?
Would she sympathize with me?
She's a brown skin woman, just as sweet as a girlfriend can beBaby I may be right or wrong
Baby, it's your opinion, well I may be right or wrong
Watch your close friend baby, then your enemies can't do you no harmWhen you got a good friend that will stay right by your side
When you got a good friend that will stay right by your side
Oh give her all of your spare time, love and treat her right
