

# And We Danced (feat. Ziggy Stardust)

## Macklemore

And we danced,  
and we cried  
and we laughed  
and had a really really really good time  
Take my hand,  
let's have a blast  
And remember this moment for the rest of our lives  
Our lives, (our lives), our lives, (our lives)  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Tonight, (tonight), tonight, (tonight), tonight  
'Cause tonight's the night  
Am I right? Dance! Feels like night for a party  
My nature so naughty  
There's a knock on the door, it's the neighbors  
Quit cock blocking  
We're having a ho-down, you hoe's down?  
Don't let me pull my hose out  
'Cause it's big, long, pink, strong  
And known to last all night long  
Grab my hand, play this song  
DJ save my life, come on  
Leave your fear, back off the wall  
Free of beat and pussy pop  
If you don't have a pussy  
Pop a cock into a booty  
To a booty And we danced, oh oh  
and we cried, oh oh  
And we laughed (oh oh oh oh)  
and had a really really really good time  
(oh oh)  
Take my hand, (oh oh)  
let's have a blast (oh oh oh oh oh)  
And remember this moment for the rest of our lives. I am not, I am not going to stand on the wall  
I will dance,  
I will dance,  
I will break that ass off.  
And I see you in the corner,  
corner looking so small.  
Doing the robot like if I die tonight at least I went hard

I will not, I will not give a damn of who watches me  
I will live, I will live liberate the fox in me  
I will be the discoball, freak and give my all  
To whatever girl's booty I'm freaking on  
I'm not skeeting nah, it's just freaking hot  
Alright I skeeted  
I will not be a mannequin (no)  
The ego banish it  
The roof's on fire  
Let's burn down the Vatican  
I will moon walk to Pluto in honor of Michael Jackson  
In heaven he'll be saying "that man is tight at dancing"  
RIP to the king, Michael Jackson, we learned it all from you  
Dedicate this to the dance floor  
Party up the sorrow 'til tomorrow morning happens  
We pledge allegiance to the DJ put your hands up And we danced, oh oh  
and we cried, oh oh  
And we laughed (oh oh oh oh)  
and had a really really really good time  
(oh oh)  
Take my hand, (oh oh)  
let's have a blast (oh oh oh oh oh)  
And remember this moment for the rest of our lives. You see me looking at you from that bar right over there  
But your friends are huddled up and they are hating on a player  
I just want to dance with you, get on the back of you  
Tip tap the boots, extract the truth  
Da-Dance with you, get on the back of you  
Da-Dance dance dance  
Awesome Oh-ee, oh-ee, oh  
Oh-ee, oh-ee, oh Hey-oh, hey-oh  
Hey-oh, hey-oh Uh-ah-ba-bo  
Uh-ah-ba-bo Zib-oh-da-we-bab-ba-dap-bop-bop  
Zib-oh-da-we-bab-ba-dap-bop-bop Go! Go! Go! Go! Go! Go! Get on it!  
I just wanna dance with you, I just wanna dance with you, c'mon Go! Go! Go! Go! Go! Go! Get on it!  
I just wanna dance with you, I just wanna dance with you And we danced, and we cried (Oh-ee, oh-ee, oh)  
and we laughed and had a really (Hey-oh, hey-oh) really really good time  
Take my hand, (Uh-ah-ba-bo) let's have a blast  
And remember this moment (Oh-ee, oh-ee, oh) for the rest of our lives
