

# Jerk It Out

## Caesars

Wind me up  
Put me down  
Start me off and watch me go  
I'll be runnin' circles around you sooner than you know  
A little off center  
And I'm out of tune  
Just kickin' this can along the avenue  
But I'm alright

'Cause it's easy once you know how it's done  
You can't stop now  
It's already begun  
You feel it runnin' through your bones  
And you jerk it out  
And you jerk it out

Shut up  
Hush your mouth  
Can't you hear you talk too loud?  
No can't hear nothin' 'cause I got my head up in the clouds  
I bite off anything that I can chew  
I'm chasing cars up and down the avenue  
But that's okay

'Cause it's easy once you know how it's done  
You can't stop now  
It's already begun  
You feel it runnin' through your bones  
And you jerk it out

'Cause it's easy once you know how it's done  
You can't stop now  
It's already begun  
You feel it runnin' through your bones  
And you jerk it out  
And you jerk it out

And you jerk it out  
And you jerk it out  
Oh baby don't you know you

Really gotta jerk it out  
When you jerk it out  
Oh baby don't you know you  
Really gotta jerk it out  
When you jerk it out  
Oh baby don't you know you  
Really gotta jerk it out
