The Land Of Living

Sierra Hull

There's a place of dazzling beauty
No human eye has ever seen
With gates of pearl and streets paved with goldIt's a land of milk and honey
Oh, it's more than any dream
It's the land of life beyond the crystal seaIt's the land of life where living is forever
Where the sting of death will claim no victory
We are nothing more than just a passing shadow
'Til we reach the land of living beyond the crystal seaThe sun is nothing but a legend in this paradise of dreams
The Lamb will be the only light we need
It's soothing walls of jasper built by hands unseen
It's the land of life beyond the crystal sea
