

Pretty Friend (2014 remaster)

Frente!

There's a girl, I know with a poison rose
She's gonna bring her I supposeEverybody's got a pretty friend
The words they buy
The time they spend, goodnightWhen her friend's around
She disappears
Amid the broken stems and tearsEverybody's got a pretty friend
The words they buy
The time they spend goodnightIt's a bitter pill
And it's hard to swallow
She could take the lead
But she never followsThe bed of roses
Turn to nails
The best laid plans always failEverybody's got a pretty friend
The words they buy
The time they spend goodnight goodnight
Da la la la la
