Alborosie

I and I hold a meditation
and be stand in reverence
babylon press di trigga nuh rasta nah go jump the fence
a wah do dem dead dem catch a mental pestilence
di cross and di rifle a fi dem ultimate defence
di temple of di most high neva build up pon di earth
why you pastor pray and purify your actions inna di church?? be di one who nah go put god first
neva?? be di one who dash it thought inna di dirt
is got be the first trumpet
by this way be the last
many more will have to suffer
many more will have to die
dont aks mi why
there's a natural mystic
blowin through the air
such a natural mystic
blowin through the air
this could be the first trumpet quite as well could be the last
watch di wicked dreadful man a drownin inna one glass
judgement a go lick down every race and social class
armagideon control come and put we all pon past
there's a natural mystic
blowin through the air

blowin through the air
we comin in from the cold and so we marchin to di light
jah jah people stop di tension got a dreamless let's unite
it's natural and mystic you must feel it inna di air
if you dont feel it simply mean seh all this time you neva care
and mi child on di man on di messenger of di??
