

Let It Go

The Bangles

One thing or another
Your head is filled with
Questions, sights and sounds
Distractions always get you down
Turn around trying to remember
Where you were the day before
North and south and east and west
Where to go
When it's over
When it's done
Let it go
Frightened by the numbers
All the possibilities
Changing minds, you hope to find
One more dream to remind you
What is lost can always be regained

Oooh
When it's over
When it's done
Let it go
When it's over
When it's over
When it's done
When it's over
When it's over
When it's done
Let it go
Naa naa naa naa
Naa naa naa naa
