Delilah

The Cranberries

Shout shout shout Delilah
Shout shout shout at the top of your lungs
Shout shout shout Delilah
Shout shout shout until the kingdom comes
Stay away from me
Just stay away from my house
Stay away from me
Just stay away or I'll sort you out
Shout shout shout Delilah
Shout shout shout till the kingdom comes
Treading on my dreams
Stop treading on my dreams
Stop treading on my dreams
Out out out Delilah
Out out out stay out of my place
Out out out Delilah
Out out out or I'll rearrange your face
He'll never really be
He'll never be your lover
He'll never really be
He'll never be your lover
So stay away from me
Just stay away from my house
Stay away from me
Just stay away or I'll sort you out
Shout shout shout Delilah
Shout shout shout till the kingdom comes
Treading on my dreams
Stop treading on my dreams
Stop treading on my dreams
Delilah, Delilah, Delilah
Push me, push me
Delilah, Delilah, Delilah
Push me, push me
Delilah, Delilah, Delilah
Push me, push me
Delilah, Delilah, Delilah
Push me
Push me

Push me
