

No More Tears (enough Is Enough)

Donna Summer

Barbra
It's raining, it's pouring
My lovelife is boring me to tears, after all these yearsDonna
No sunshine, no moonlight, no stardust, no sign of romance
We don't stand a chanceBarbra
I always dreamed I'd found the perfect lover
But he turned out to be like every other man
I've loved,
I've lovedBoth
Raining (raining)
Pouring (pouring)
There's nothing left for us here
And we won't waste another tearDonna
If you've had enough, don't put up with his stuff, don't you do itBarbra
If you've had your fill, get the check pay the bill, you can do itDonna
Tell him to just get out,Barbra
Nothing left to talk aboutDonna
Pack his raincoat show him outBoth
Just look him in the eye and simply shout:
Enough is enough
I can't go on, I can't go on no more no
Enough is enough
I want him out, I want him out that door nowEnough is enough
Enough is enough
That's enoughDonna
If you've reached the end, don't pretend that is right when it's overBarbra
(it's over)
If the feeling is gone don't think twice just move on, get it overDonna
(over, over)Both
Tell him to just get out, say it clearly, spell it out:
Enough is enough is enough
I can't go on, I can't go on no more no
Enough is enough is enough
I want him out, I want him out that door nowEnough is enough
Enough is enough
That's enoughBarbra
I always dreamed I'd found the perfect lover,
But he turned out to be like every other man
I've loved (I had no choice from the start)

I've loved (I've gotta listen to my heart)
I've loved (Tearing us apart)Enough is enough is enough
I can't go on, I can't go on no more no
Enough is enough is enough
I want him out, I want him out that door nowEnough is enough
Enough is enough
That's enoughBoth
No more tears (No more tears)
No more tears (No more tears)
No more tears (No more tears)
No more tears (No more tears)
Enough is enough is enough is enough is enough is enough
I've had it, you've had it, she's had it, we've had itDonna
I always dreamed I'd found the perfect lover,Barbra
But he turned out to be like every other manBoth
I had no choice from the start
I've gotta listen to my heart
Tearing us apartEnough is enough is enough
I can't go on, I can't go on no more no
Enough is enough is enough
I want him out, I want him out that door nowGoodbye mister, goodbye, goodbye mister
Goodbye sugarIt's raining, it's pouring,
There's nothing left for us here
And we won't waste another tearNo more tears
Is enough is enough is enough is enough is enough is enough is enough is enough
