Crazy

Miki Howard

Verse 1:
Seek and you shall find
Some times whatâ€™s in front of your face
You can leave behind
Searching for love thatâ€™s true
I didnâ€™t know it was you
All the time

Pre Chorus:
All the moments we once shared
A friend thatâ€™s always there
Questions marks between us two
Then I looked at you
And I knew it was true
Never thought Iâ€™d feel this way
All the things we didnâ€™t say
When I was

Chorus:
I been looking for a new love
Didnâ€™t know where it was
All the time
There you were
I must have been crazy
Crazy

Verse 2:
Boy you knew me when
I had nothing
Going for me
We were the same
Knowing all the time
I wanted more
Iâ€™ve got so much love to give
And I wanna give it to ya baby

Pre Chorus:
All the moments we once shared
A friend thatâ€™s always there

Questions marks between us two
Then I looked at you
And I knew it was true
Never thought Iâ€™d feel this way
All the things we didnâ€™t say
When I was

Chorus:
I been looking for a new love
Didnâ€™t know where it was
All the time
There you were
I must have been crazy
Crazy
