I Get Along Without You Very Well

Jane Monheit

I get along without you very well
Of course I do, except when soft rains fall and drip from these
And I recall the thrill of being sheltered in your arms
Of course I do but I get along without you very wellI forgotten you just
Like I should
Of course I have
Except to hear your name
Or someone' laugh that is the same but
I get along without you very wellWhat a guy
What a fool am I to think my breaking heart could kill the moon
What' in store should I fall once more know it' best
That I stick to my juneI get along without you very well
Of course I do
Except perhaps in spring
But I should never think of spring
For that would truly break my heart in twoI get along without you very well
Of course I do
Except perhaps in spring
But I should never think of spring
For that would truly break my heart in two
