

Reality

David Bowie

Tragic youth was looking young and sexy
The tragic youth was wearing tattered black jeans
Bearing arms and flaunting all her mischief
The tragic youth was going down on me And I swear
Woo hoo

Yes I swear I built a wall of sound to separate us
I hid among the junk of wretched highs
I sped from Planet X to Planet Alpha
Struggling for reality Ha ha ha ha

Woo hoo
Ha ha ha ha

Whoo hoo Hey, now my sight is failing in this twilight
Da da da da da da da da da
Now my death is more than just a sad song
Da da da da da da da da da

And I swear

Woo hoo

Yes I swear

Woo hoo I still don't remember how this happened
I still don't get the wherefores and the whys
I look for sense but I get next to nothing
Hey boy welcome to reality Ha ha ha ha
Woo hoo I've been right and I've been wrong
Now I'm back where I started from
Never looked over reality's shoulder Ha ha ha ha
Huh ha ha ha

Woo hoo Huh ha ha

Wooh

Woo hoo

Wooh
