

Cow Pie

Art Paul Schlosser

Cow pie
Cow pie
You eat it
Youâ€™ll die
No I donâ€™t want no cow pie

Raspberry
Strawberry
Blueberry
Iâ€™ll even eat mulberry
But I donâ€™t want no cow pie

If cows
Could fly
It be dangerous
Walking by
And I bet you know the very reason why

Something might
Fly out of the sky
Might get you
In your hair mess up your eye
Do I need to say the word cow pie

Cross my heart
Hope to die
Stick a needle
In my eye
And I bet no one wants cow pie

Cow pie
Cow pie
You eat it
Youâ€™ll die
Yeah I donâ€™t want cow pie
