

# Last Month of the Year

[Chris Isaak](#)

Tell me when was Jesus born, last month of the year

Tell me when was Jesus born, last month of the year

Tell me when was Jesus born, last month of the year Yeah, wasn't January, February, March, April or May  
June, July, August, September, October, November Was the 25th day of December was the last month of the year

He was born to the Virgin Mary, last month of the year

He was born to the Virgin Mary, last month of the year

He was born to the Virgin Mary, last month of the year Yeah, wasn't January, February, March, April or May  
June, July, August, September, October, November Was the 25th day of December was the last month of the year

He was born in an ox manger, last month of the year

He was born in an ox manger, last month of the year Yeah, wasn't January, February, March, April or May

June, July, August, September, October, November Was the 25th day of December

It was the last month of the year Jesus, Jesus, Jesus
