

I Could Die for You

Red Hot Chili Peppers

Something inside the cards
I know is right
Don't want to live
Somebody else's life
This is what I want to be
And this is what I give to you
Because I get it free
She smiles while I do my time I could die for you
Oh this life I choose I'm here to be your only go-between
To tell you of the sights
These eyes have seen
What I really want to do is
Turn it into motion
Beauty that I can't abuse
You know that I'd use my senses to
You can see that
It's only everywhere
I'd take it all and then
I'd find a way to share Come along and go
Along with me
Wander with me yo
It's all for free I could die for you
What you want to do
Oh this life I choose I could die for you
What you want to do
Oh this life I choose Come again and tell me
Where you want to go
What it means for me
To be with you alone
Close the door and
No one has to know
How we are Come along and go
Along with me
Wander with me yo
It's all for free I could die for you
What you want to do
Oh this life I choose I could die for you
What you want to do
Oh this life I choose

Make me want to say
I could die for you
What you want to do
Oh this life I choose
I could die for you
What you want to do
Oh this life I choose
