Don't Mess Up A Good Thing

Gregg Allman

Good thing, good thing, good thing
You been cheating on me, now, baby
You know, I know it's true
Ain't nobody in this whole wide world
Gonna love you like I doDon't you be no fool, don't you be no fool
Gonna keep on fooling 'round now, baby
Gonna mess up a good thing
Gonna mess up a good thing, all rightWell, I might of cheated just a little bit baby
Like many others do
But when I get my little old paycheck now
It goes right back to youDon't you be no fool, don't you be no fool
'Cause if you keep on fooling around now, baby
Gonna mess up a good thing
You're going to mess up a good thingThey tell me you got a part-time lover
Who's living way cross town
It won't be but a little while, baby
Before you put me downDon't you be no fool, don't you be no fool
Gonna keep on fooling 'round now, baby
Gonna mess up a good thing
Gonna mess up a good thing, all rightLet me tell you something
Now, don't you go sneaking across town,baby
To catch me doing wrong
Don't you know everybody's jealous, baby
'Cause we got a thing going onDon't you be no fool, don't you be no fool
If you keep on fooling 'round now baby
Gonna mess up a good thing
Gonna mess up a good thingGood thing, you're messing up a good thing
Messing up a good thing, good thing, good thing
