Hello

BeyoncÂŽ

I love to see you walk into the room, body shining, lighting up the place
And when you talk, everybody stops 'cause they know you know just what to say
And the way that you protect your friends, baby, I respect you for that
And when you grow, you take everyone you love along
I love that you

Don't fly me away
Don't need to buy a diamond key
To unlock my heart
You shelter my soul
You're my fire when I'm cold
I want you to know

[Chorus]
You had me at hello
(Hello) hello
(Hello) hello
(Hello)
You had me at hello
(Hello) hello
(Hello) hello
(Hello)
It was many years ago
Baby, when you
Stole my cool
'Cause you had me at hello
(Hello) hello
(Hello) hello
(Hello)

I get so excited when you travel with me, baby, while I'm on my grind
And never would I ever let my hustle come between me and my family time
You keep me humble out of this hype 'cause you know there's more to life
If I need you, you will be here; you will make the sacrifice

Don't fly me away
Don't need to buy a diamond key
To unlock my heart
You shelter my soul
You're my fire when I'm cold

Just want you to know

[Chorus]

Gotta feel you and be near you
You're the air that I breathe to survive
Gotta hold you, wanna show you
That without you my sun doesn't shine
You don't have to try so hard for me to love you
Boy, without you my life just ain't the same
You don't have to try so hard for me to love you

You had me at hello
(Hello) hello
(Hello) hello
(Hello)
You had me at hello
(Hello) hello
(Hello) hello
(Hello)
It was many years ago
When you
Stole my cool
You had me at hello
(Hello) hello
(Hello) hello
(Hello)

It was many years ago
Baby, when you
Stole my cool
You had me at hello
Hello
Hello
