

# Joy Is In Our Hearts

[Sara Groves](#)

We were pressed on every side  
Full of fear and troubled thoughts  
For good reason we carried heavy hearts  
It is good to come together  
In our friendship to remember  
All the reasons hope is in our hearts  
Hallelujah, Hallelujah  
Christ our joy and strength  
Hallelujah, Hallelujah  
Christ our joy and strength  
Now with patience in our suffering  
Perseverance in our prayers  
With good reason this hope is in our hearts  
Hallelujah, Hallelujah  
Christ our joy and strength  
Hallelujah, Hallelujah  
Christ our joy and strength  
Oh, we saw the face of angels  
Many good things we'll secured  
For good reason, this joy is in our hearts  
Hallelujah, Hallelujah  
Christ our joy and strength  
Hallelujah, Hallelujah  
Christ our joy and strength  
Hallelujah, Hallelujah  
Christ our joy and strength  
Hallelujah, Hallelujah  
Christ our joy and strength  
For good reason, joy is in our hearts
