Kodachrome

Paul Simon

When I think back
On all the crap I learned in high school
It's a wonder
I can think at all
And though my lack of education
Hasn't hurt me none
I can read the writing on the wallKodachrome
They give us those nice bright colors
They give us the greens of summers
Makes you think all the world's a sunny day
I got a Nikon camera
I love to take a photograph
So mama don't take my Kodachrome awayIf you took all the girls I knew
When I was single
And brought them all together for one night
I know they'd never match
My sweet imagination
Everything looks worse in black and whiteKodachrome
They give us those nice bright colors
They give us the greens of summers
Makes you think all the world's a sunny day
I got a Nikon camera
I love to take a photograph
So mama don't take my Kodachrome awayMama don't take my Kodachrome away
Mama don't take my Kodachrome away
Mama don't take my Kodachrome awayMama don't take my Kodachrome
Mama don't take my Kodachrome
Mama don't take my Kodachrome away
Mama don't take my Kodachrome
Leave your boy so far from home
Mama don't take my Kodachrome away
Mama don't take my Kodachrome
Mama don't take my Kodachrome away
