3 Words (Jelacee Dubstep Remix)

Cheryl Cole

I met a guy at the club,
I let him know I'm in love,I met a girl at the bar,
I let her know who you are.I told her you are the love of my life and,
One day your gonna be my wife.
And we are gonna have some babies together.I told him you are the man of my dreams,
You saved me from drowning in the streams
And I know were really gonna last forever. (and ever)It was those 3 words that saved my life.
It wasn't complicated, wasn't premeditated.
It wasn't under-rated, boy I'm so glad you stayed andIt was those 3 words that saved my life.
